Dear Mr. Weisberg:

I was very pleased to receive your letter. Thank you for taking the time to write me. It was most thoughtful and I greatly appreciate it, more than I can say.

I was saddened to learn of your illness and I hope that your recovery will be as quick as possible, and complete.

Perhaps you can answer a question I have. In an advertisement for Dr. John Lattimer's new book, it's says that he was the first person, outside of the government, to view the Kennedy autopsy photos and x-rays. I thought that Dr. Cyril Wecht was the first. Hopefully, you can straighten this out for me.

In your letter you refered to me as "Mr." I assume this was because my penmanship leaves something to be desired, and Jan is a man's name as well as a

woman's. I am, in fact, a 'Ms.' (Martin is my married name.)

Again thank you for your very kind letter. I hope you have a happy holiday season.

Respectfully,
Jan Vinek Martin
